

FOFS FAQ

What is the Friends of Figure Skating Supporters Club?

U.S. Figure Skating's Friends of Figure Skating Supporters Club is a philanthropic giving community that makes a meaningful impact on our athletes' lives. Generous gifts to the program not only enhance athlete journeys but also provide Supporters with a range of exclusive benefits and experiences.

Why are the Supporter Club levels more expensive than in previous years?

The cost of supporting our athletes in their pursuit of excellence continues to rise due to factors such as increased training expenses and higher costs for competitive travel. By adjusting the Supporters Club levels, we are better positioned to meet these needs and offer our athletes the resources they require to succeed at the highest levels. The increase also enables us to enhance the exclusive benefits and experiences we offer to our dedicated supporters.

I am interested in giving at a lower level, can I still purchase a ticket to the Friends of Figure Skating breakfast at U.S. Championships?

No, The Friends of Figure Skating breakfast at U.S. Championships is reserved for Supporters who have made a qualifying gift.

I am interested in giving at a lower level, can I still purchase a subscription to Skating Magazine?

Yes, [subscriptions can be purchased by following this link.](#)

When will I receive my Friends of Figure Skating Supporters Club benefits?

Benefits are fulfilled at the beginning of each month.
